I couldn't wait to explore this new uncharted land. somewhere, around the Carribean. It was a mass of land that just appeared overnight, out of thin air. Perhaps this land held secrets or mountains of treasure.

As the ship inched closer towards the destination, I was able to visualise the outline of the land mass.

forced me to fall overboard head first into the water.

I was able to swim to the shore just in time to see the ship sink.
